Height of Tehri Dam

*532. SHRI NANA DESHMUKH : Will the Minister of POWER be pleased to state :

(a) whether an eminent environmentalist and his followers have been demanding that the Tehri Dam height should be reduced so that the submergence area of the dam is automatically reduced and a few people are uprooted; and

(b) if so, Government's reaction to their demands ?

THE MINISTER OF POWER (SHRI SURESH PRABHU) : (a) and (b) Demands have been made by some environmentalists for reducing the height of the Tehri Dam. Reduction in dam height is not technically feasible at the existing location on account of the Spillway arrangement, and it could also endanger the safety of the dam.
